

HOPE INTERNATIONAL UNIVERSITY

OUR MISSION IS TO EMPOWER STUDENTS THROUGH CHRISTIAN HIGHER EDUCATION TO SERVE THE CHURCH AND IMPACT THE WORLD FOR CHRIST.

WHO WE ARE

Founded in 1928, Hope International University is a Christ-centered university in southern California integrating faith, service, and learning.

At HIU, we're committed to helping you reach your potential. Whether you're studying business or ministry, you will find many opportunities to grow in your faith and acquire the knowledge and skills to make a profound impact in your community. You will gain a deeper understanding of what you believe and why you believe it. You can't help but find opportunities to get involved at HIU, whether your interests are sports, student organizations, Bible studies, or other campus activities. You'll build deep friendships that will carry with you long after you leave HIU.

VIBRANT LOCATION

HIU is set against the backdrop of thriving Orange County, California. There are four major theme parks, countless shopping locations, beaches, mountains, deserts, live theater, sports venues, and music performances to keep students busy.

DYNAMIC STUDENT LIFE & ATHLETICS

HIU Athletics offers 19 championship-caliber sports programs and competes in the NAIA GSAC Conference. Student-athletes are developed holistically and challenged to live their faith on and off the field.

Take advantage of a variety of opportunities to get involved on campus, including our annual musical, student government, intramurals, the fitness center, clubs, and coffee-house concerts.

We believe that living out your faith is an integral part of your college experience—that's why we offer so many ministry opportunities: worldwide short-term missions trips, serving the homeless, camp counseling, worship leading, etc. You'll also enjoy spiritual growth through weekly chapel services and formation groups.

STRONG ACADEMICS

We choose our faculty members as much for the experiences they bring into the classroom as for their outstanding academic credentials.

Our faculty is characterized by a sincere dedication to student success, passion for teaching, commitment to their faith, and real-world experience in their fields.
