

ONE-YEAR BIBLE PROGRAM

ALISO VIEJO, CALIFORNIA

Designed to prepare students ages 18-24 to live like Christians in an increasingly hostile world, by training them to think biblically, theologically, and practically in an immersive, ministry-focused environment at a highly formative life stage.

In addition to courses that will give students a solid Christian foundation, the One-Year Bible Program offers once-in-a-lifetime study trips to the East Coast (to study the American Great Awakening) and to Greece and Rome (to study Paul's missionary journey).
